## Mrs. 'Mac' Honored

### Volunteers Stage Retirement Party

"Mrs. Mac" retired Friday, July 14. However, her "day" was Wednesday in Harbor General Hospital's auditorium from 1 to 4 p.m. There, members of all the Volunteer groups serving the hospital, many of its employees, and representatives of organizations from surrounding communities she has enlisted as "friends of Harbor General," wished her happiness in retirement with gifts and congratulations. "Mrs. Mac", as she is affectionately called, is Marguerite Broen McAllister, Harbor's Chief of Patient Services such as the Auxiliary, Volunteers for Children, her beloved Candy Strippers, and the Gray Ladies, all of whom she has directed since 1955.

There are two moments "Mrs. Mac" will treasure as the years roll by in retirement and reflection. One,

when she was awarded a gold plaque for "distinguished service." It was from the Attending Physicians Staff Associates of Harbor General Hospital, and she is first woman and non-doctor to receive the award, an annual presentation for outstanding doctors in various phases of medical science. She was selected at the annual doctors' banquet in 1966.

The second is the establishing this year of the "Marguerite Broen McAllister Scholarship Award." The latter is for presentation to a Candy Stripper in good standing with at least one year service and intending to enter a nursing or medical career. Funds for the \$100 award will be solicited throughout the year by volunteers and a Board of Trustees. First awardee is Dianne Elizabeth (Continued on Page B-2)
